

# TREKU

## Lau Collection

PRODUCT DATA SHEET

1901

1/3

**Model:** Lau

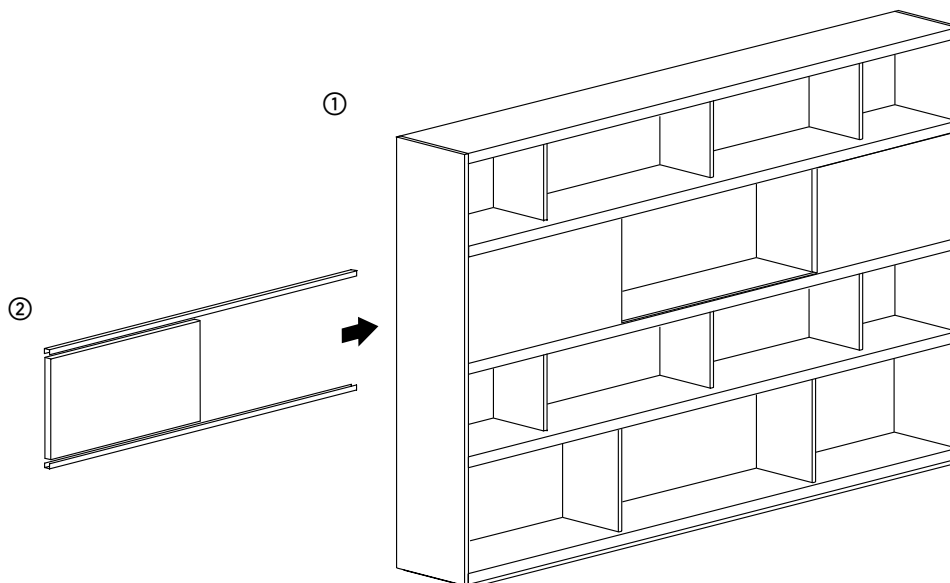

**Manufactured in:** Spain-Europe (EU)

**Designers:** Ibon Arrizabalaga

Dynamic, timeless and elegant. The Lau shelving units can be adapted to fit the customer's every whim or need: their simple horizontal design permits the inclusion of sliding doors, back panels and intermediate shelves finished in different colours and materials, giving the design a sense of movement, dynamism and change. And the design's horizontal lines, achieved by using different thicknesses in the horizontal and vertical elements, gives the pieces a discreet feel while at the same time establishing a unique personality. The many configurations of this collection also include low pieces that are ideal for use as television units or sideboards.

## 1. Composition

---

**1**

Configure the outside structure.

**2**

Optional: add sliding doors or extra back panels in different finishes.

Treku Wood  
Treku lacquers

## 4. Product maintenance

---

For cleaning use a cloth moistened with water. Do not use solvents or cleaning products. Avoid placing penetrating liquids, essential oils, perfumes, on top of the furniture.

## 5. Packaging and transportation

---

All our products are duly packaged (cardboard, foams and Styrofoam). Our carriers are the most demanding for the characteristics of our products.

## 6. Assembly instructions

---

All our products include assembly instructions for their correct installation.

See attached document.

Units and chest of drawers are assembled at the factory.

For any technical question, do not hesitate to contact our technical department.

## 7. Warranty

---

The products have 2 years guarantee as long as its installation is carried out by professionals of the sector and the use of the material is adequate. Treku accepts no liability for any incident arising from the mishandling of the products supplied.

Wood, being a natural product, may have small differences in texture, color and pattern. Treku is not responsible for any minor differences that may arise.

Because of its natural origin, the wood with time may suffer differences in color and texture, so we cannot ensure homogeneity of color in additional orders.
