

Riviera / Chair
Design / Lucidi / Pevere

Test
EN581-1 / EN581-2

Designed by Lucidi/Pevere, Riviera is a collection consisting of a chair, small armchair, lounge and stool; its main characteristic is an elegant minimal graphic design. The entirely welded structure is made from Fe360 tubular steel and rounded (half almond) bars. EMU-Coat finish (cataphoresis + painting).

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
